Building and history

Brise de Mer 38 aluminum sailboat designed by Groupe FINOT and built in 1983 by LE GUEN-HERMIDY (France). Built in AG4MC aluminum and with an insulated Stirodur hull, it's a highly reputed cruiser with a beautiful hull, ideal for those who want to go far.

The boat is owned by a professional sailor who lives aboard full-time. All key elements are well preserved. The yacht is ready for delivery anywhere in the world. The owner is selling the boat for new life projects.
