Building

Motor Yacht DeFever 57 type (LOA 60'), built in Taiwan in 2003. The boat was custom made for her first owner in 2003.

The hull is built in polyester (GRP) after the DeFever 57 design by the POCTA shipyard in Taiwan.

Amenities have been custom made to the original owner's demanding orders, especially electrical conformity.

Her first owner used the boat as a floating apartment in Hong Kong and didn't sailed a lot.

The Motor Yacht was purchased in February 2009 by her current owner, and sails regularly (3000 miles around New Caledonia: Ile des Pins, Iles de la Loyauté, Grande Terre...).
