Sleeps: 6 - 2 double cabin

- Fore double cabins with en-suite head (shower + toilets)
- Chart table on portside
- Large saloon convertible into a double berth with library
- Galley on port
- Large aft double cabin
- Aft head with separate shower and toilet on starboard

Building and history

Océanis Clipper 42 CC fiberglass sailboat, built in 2003 by BENETEAU shipyards, according to FINOT designs. Owner version with 2 cabins and 2 heads, a real owner aft cabin and a second one for guest on fore with its private head. Central cockpit reassuring and comfortable.

A word from the owner

Sailboat particularly adapted to life on board in the Polynesian islands. Very comfortable with its two very spacious cabins, especially its "princess" aft cabin with its private head (shower and toilet). Its second independent cabin on fore (also equipped with shower and toilet) is very comfortable. She is very well equipped and completely self-sufficient for water and power (4 service batteries, recharged by 2 wind turbines and 3 solar panels plus a water maker for fresh water. About the finishes, it's "Bénéteau" quality. Ready to sail, safe with its central cockpit and very well equipped. Unfortunately, health problems force me to put it on sale.

Engine

YANMAR 75 HP turbo engine (3000 hrs)
Diesel tank: 240L

Sloop rigging

UK AILS Mainsail (2015)
Genoa on furler (2011)

ULLMANS SAILS Staysail on furler (2012)
2 poles

Ground tackle

LEROY SAMER electric windlass 1500W
Main anchor: DELTA 25 kg + 110m of 10 mm chain
