Construction

Full aluminium centerboard sailboat, PASSOA 47 type, built in 1992 by the GARCIA shipyards, according to a plan from Philippe Harlé.

The boat is totally insulated with 5 cm of expanded polystyrene for navigation in the Austral Islands.

This is a first hand boat ; she has been perfectly maintained by her owner, who left France to reach New Caledonia ; he's just come back to French Polynesia (July 2014). She's a very strong sailboat, that allows to sail with full safety.
