Construction

Construction

Spencer 42 polyester sailboat built in 1966 in the USA.

Hull, deck and cabin in polyester/fiberglass. Deck and cabin tops also in polyester/fiberglass, plus a non-slip finish. The keel is in polyester/fiberglass, with lead ballast molded and bolted to the forward section. The interior is composed of teak, teak plywood and composites.

Spencer 42s have a well-deserved reputation as fast, robust and safe cross-country boats.
